COMMENTMENT EXERCISES

Thursday at 8 p. m. the regular graduation exercises of the Maysville High School will be held in the auditorium. This year's class of thirty-seven is by far the largest class that has ever been graduated from the school. The class has done itself proud in the presentation of Silas Marner, the Senior Class play. It was also largely instrumental in getting out the first Annual.

The first honors go to William Soward, second, Henry Shea, both of them carrying with them a free scholarship to some one of the leading colleges. The list of graduates who made Honor Roll distinction, that is whose average grades for the year are above 90% are: James January, Rebecca Hechinger, Mabel Crowell, Lemuel Brookling, Mary P. Matthy, Lucio Smith, Mary D. Poyntz, Martha Lovell, Addie Hord Arnold and Henry Shea, Jr.

This year owing to the expenses of the Commencement not being so great, the price of admission will be 25c. Those desiring reserved seats may get them at Williams' Drug Store, without any additional expense.

OFFICERS ELECTED BY INDEPENDENT-CENTRAL WAREHOUSE COMPANY

The stockholders of the Independent-Central Warehouse Co. met Tuesday and elected the officers of the company for the ensuing year. The officers elected were as follows: President—Walter Mathews. Vice-President—E. L. Manchester. Treasurer—W. F. Steele. Secretary—W. H. Robb. Bookkeeper—W. F. Steele. Superintendent and Sales Manager—L. C. Parker.

These men are some of the best known tobacco men in this section of the state, having been in this business for the past several years. They expect to do a big business this coming season as the crops have gotten an excellent start this year. They expect to give all the farmers a square deal as they have done in the past and hope for a bigger and better season than ever before.

GETS STIFF FINE

In Squire Bauer's Court Tuesday afternoon Hunter Cooper was fined \$100 and ten days in jail for bootlegging. Cooper was the man who supplied the whiskey for the crap game which resulted in the shooting of Green Meadows near the L. & N. Roundhouse Sunday afternoon. It was brought out in the testimony of the case that Cooper had also sold whiskey to several men downtown. Being unable to pay his fine he will work it out on the county roads.

RIKS THEM OUT OF TOWN

Late Tuesday night Chief of Police Mackey rounded up two men and a woman who had been acting rather peculiar. This morning he gave them notice that they would have to leave town at once. They left on the fast train for Portsmouth. The Chief is determined that suspicious characters have no business here and he will chase them out as soon as possible.

ANOTHER CASE

An umbrella is a very hard thing to find when once lost. But this is not always so. Mrs. C. P. Dieterich of the East End several days ago lost an umbrella which she prized very highly. After looking for it for several days she put a "lost ad" in the Ledger. Result—Mrs. Dieterich's umbrella was returned at once. Moral—it pays to advertise in the Ledger.

GERMANY'S LOSSES TO MAY 31 ES-

TIMATED AT 2,924,586 BY

BRITISH; 731,112 KILLED

London, June 13—Germany up to the

end of May had lost 2,924,586 soldiers,

of whom 734,412 were killed, according

to a British official tabulation of the

German casualty lists given out here

today.

The compilation did not include Ger-

man losses in naval engagement or in

the fighting in the German colonies.

The British official statement quotes

the German official casualty lists for

the month of May as placing the total

German losses in killed, prisoners and

wounded at 102,507. This number, it

is pointed out, brings the German to-
tal losses, exclusive of naval and col-
onial casualties, to 2,924,586.

The German figures in the May list,
as enumerated in the British account,
are as follows:

Dead 22,471.

Wounded 72,075.

Prisoners and missing 7,961.

Total 102,507.

The German official lists of casu-
alties up to the end of May give these
totals:

Dead 734,412.

Wounded 1,851,652.

Prisoners and missing 338,522.

Total 2,924,586.

Stop! Do you remember the time
when you was the most anxious of all
times to make a good impression? And
do you remember the fool break you
made? We all do it.

EFFECTS OF THE WAR IN INDIA

Serious injury has been worked by
the war to missions in India, through
the falling off of recruits and the ne-
cessary withdrawal of some of the
staff. There is, however, an element of
compensation in the general awak-
ening which has taken place among the
Indian Christians themselves, who are
facing the crisis with a quickened
sense of responsibility, and are man-
ifesting earnest initiative. The Ger-
man missionaries have either been re-
patriated or interned. The oversight
of their work has been taken tempo-
rarily by English Churchmen and Amer-
ican Lutherans.

WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medi-
cine Co.

Women who are well often ask "Are
the letters which the Lydia E. Pinkham
Medicine Co. are continually publishing,
genuine?" "Are they truthful?" "Why
do women write such letters?"

In answer we say that never have we
published a fictitious letter or name.
Never, knowingly, have we published
an untruthful letter, or one without the
full and written consent of the woman
who wrote it.

The reason that thousands of women
from all parts of the country write such
grateful letters to the Lydia E. Pink-
ham Medicine Co. is that Lydia E. Pink-
ham's Vegetable Compound has brought
health and happiness into their lives,
once burdened with pain and suffering.

It has relieved women from some of
the worst forms of female ills, from dis-
placements, inflammation, ulceration,
irregularities, nervousness, weakness,
stomach troubles and from the blues.

It is impossible for any woman who
is well and who has never suffered
to realize how these poor, suffering wo-
men feel when re-
stored to health;
their keen desire to
help other women
who are suffering as
they did.

Colored Commencement
It is generally believed that the exercise of the Colored High School at the Washington Opera House tonight will be the best held thus far. Dr. E. M. Underwood of Frankfort is said to be a brilliant speaker. His subject, "Preparedness" is the most important one of the day. The graduates place and the music are reported as being exceptionally fine.

Miss Annie Kimbrough left Tuesday for Mt. Sterling to attend the commencement. She will be the guest of Miss Celia Taylor.

HARD HITTING

Featured Game at Frankfort in Which Maysville Lost By Score of 14 to 3.

Frankfort, Ky., June 13.—The Old Taylors won from Maysville today by the score of 14 to 3 in a game which was absolutely featureless and full of base playing. Frankfort got seventeen hits off of McGrawnor and J. Jones, four of them being allowed by McGrawnor, who was taken out in the last of the third and succeeded by Manager Jones. After three men were out in the sixth inning L. Jones, of the local team, knocked a home run, bringing in four scores. None of the players seemed to realize that there were three outs, but after the discovery was made the four runs were not counted. If they had been it is probable that Maysville would have contested the game.

Monroe for the locals, was hit hard, sixteen hits being secured off his delivery. Score:

WHAT A TRUST COMPANY CANNOT DO

It cannot die and leave your Estate in a tangle. Individual Executors are likely to die—and do die at critical times. We cannot speculate with Trust Funds—an individual executor can—and frequently does speculate with your money. We do not take any vacation, fall ill or move away. An individual Executor does all of these things. Why not consult us about your Estate?
